WOMEN PRAISE STELLA-VITAE

We want every afflicted woman to try at least one bottle of Stella-Vitae on our plain, open guarantee to return the money paid for it if it does not benefit.

If you doubt our word that it will relieve the distressing aches, pains and misery peculiar to the diseases of women, read the testimony of these women who have tried it and are glad to tell others what it has done for them. The only interest they have in the matter is that which any true woman feels in helping to relieve the sufferings of other women. You can believe them.

Mrs. J. F. Lee, Milstead, Ga., had female complaint for years. Three bottles of STELLA-VITAE cured her, she said, and added, "I am certainly thankful for this great female tonic." Mrs. Paralee Frazier, Longview, Tex., expressed appreciation of STELLA-VITAE in these words: "I cannot say too much for this wonderful medicine. I had taken other female medicines for two years with no good results. I am truly grateful for the good STELLA-VITAE has done me." Mrs. Sandy Withers of Greensboro, Ala., was a terrible sufferer from female trouble—and only a woman knows what that means! Her condition got so bad her pains threw her into spells like fits. Her husband feared she would lose her mind. The Greensboro doctors pronounced her incurable. Then somebody suggested that she take STELLA-VITAE. She did so. The first dose lightened her spells. STELLA-VITAE is a perfectly harmless compound and it not only alleviates a woman's pain, but builds up her health; it stimulates her appetite, aids digestion, quiets her nerves and clears her complexion. It improves her personal appearance.

All dealers sell Stella-Vitae, and are authorized to return the money paid for the first bottle if it does not benefit.

IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."

—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.
